

Friends of Spruce Woods Presents...

Crafternoons

**Sunday February 11th and March 10th
1 p.m. – 4:00 p.m.**

Location: Visitor Centre Workshop

Join the Friends of Spruce Woods for a cozy crafting session Sundays at the Visitor Centre Workshop.

Bring your own projects or dive into the world of felting with artist Val Norquay. Many different crafting supplies will be available.

Your imagination is the limit.

Let's create, sip on something warm and make Sundays a day of creativity and community. No project on the go... no problem!

Come without a project in mind and leave inspired with new creations and ideas.

We can't wait to see you!

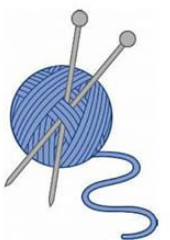

February Crafts include:

Punny valentines, Pinecone Flower Bouquets, Card Painting

March Crafts include:

Trug, Felted Flowers

All ages, genders, and experience levels welcome! We will have a puzzle table and a kid's table set up to enjoy.

Check us out on Facebook to get updates on the Park and programs!
