# Thank you!

The FOSW would like to say a big thank you to the Riverdale Road Club for donating this special corral for the Canoe Landing Campground. This was built in memory of their good friend and fellow rider, Ken Bullion, who they spent much time with exploring the Equestrian Trails and back country while enjoying the beauty of Spruce Woods. Funds were raised at their annual Riverdale Trail Ride with 40 or 50 riders and 10 wagons taking part. Ken Bullion was a memorable personality who shared his love of riding and of the Park. A former Board Member and generous Equestrian Director of the Friends of Spruce Woods. R.I.P. Ken.
